E-mail: mano@cs.auckland.ac.nz

Assessment

- Final Exam 60%;
- Test 20%;
- Assignments (3) 20%
 - A1 (number representation)
 - A2 (assembly programming)
 - A3 (high-level programming)
- Test
 - Monday, 12/09/2011, in class
 - 2:00pm - 3:00pm

Practical requirements

- In order to pass the paper, you must:
 - Pass the assignment work
 - Pass test and exam combined.
 - The pass marks in each part and in total are not going to exceed 50%. If you have not achieved 50% in the assignments you are still advised to sit the exam.

Tutorials

- Tutorials are not compulsory but are strongly recommended.
- All tutorials start from week 2.
- There are several streams. You only need to go to one of the streams if you decide to go.

Class representatives

- Any volunteer?
