

CONTRIBUTOR AGREEMENT

PUBLISHING AGREEMENT AND ASSIGNMENT OF COPYRIGHT

Please ensure that you return a signed copy of this letter with your contribution. Publication of your contribution cannot take place without assignment of copyright.

Dear Contributor,

We are pleased that you will be contributing a paper to:

UMC 2000

Edited by **I. Antoniou, C. S. Calude, and M. J. Dinneen**

Please complete the details below (title and authors of contribution), read the agreement, sign it and include it when you submit your contribution.

Full Title of Contribution:

Authors (Full list of names):

By your submission of this work and our acceptance for publication, the following becomes the Agreement between us:

You warrant that the contribution entitled above is **original** on your part and has not been submitted for publication or been published elsewhere. You warrant that the contribution does not contain material of a **libellous** or scandalous nature and that for images of patients (where identification is possible) the permission of the patient and responsible clinician has been obtained. Furthermore, should your contribution contain copyright material owned by others, you also warrant that **written permission** has been obtained from the copyright owner to republish such material and that appropriate notice is given in your contribution. You also hereby **assign all rights** including the copyright in the said contribution to Springer-Verlag London Ltd (for government employees: to the extent transferable).

You shall retain a perpetual, non-exclusive license to publish and distribute the above contribution under the following conditions: (1) the actual typeset Springer-Verlag London Ltd format is not reproduced and (2) that proper credit is given to the original published Springer-Verlag London Ltd article.

Please acknowledge receipt of this letter and your agreement with its terms by signing and returning it when you submit your contribution. Please retain a photocopy for your own records.
