Call for Papers
Eighth International Conference on
DEVELOPMENTS IN LANGUAGE THEORY (DLT’04)
http://www.cs.auckland.ac.nz/CDMTCS/conferences/dlt04/
Massey University at Albany, Auckland, New Zealand
CDMTCS, University of Auckland, New Zealand
13 – 17 December 2004, Auckland, New Zealand

Organising Committee
M. Bowers, Auckland, NZ
E. Calude (chair), Auckland, NZ
K. Hawick, Auckland, NZ
J. Hunter, Auckland, NZ
R. McKibbin, Auckland, NZ
B. Mills, Auckland, NZ
L. O’Brien, Auckland, NZ
H. Sarrafa-zadeh, Auckland, NZ
C. Scogings, Auckland, NZ
U. Spiedel, Auckland, NZ

Programme Committee
J. Berstel, Paris, France
C. S. Calude (chair), Auckland, NZ
J. Cassaigne, Marseille, France
V. Diekert, Stuttgart, Germany
M. J. Dinneen (secretary), Auckland, NZ
Z. ´Esik, Szeged, Hungary
T. Harju, Turku, Finland
M. Holcombe, Sheffield, UK
J. Hromkoviˇc, Aachen, Germany
O. Ibarra, Santa Barbara, US
M. Ito, Kyoto, Japan
B. Khoussainov, Auckland, NZ
H.-J. Kreowski, Bremen, Germany
W. Kuich, Vienna, Austria
M. Margenstern, Metz, France
G. P˘ aun, Bucharest, Romania
I. Petre, Turku, Finland
A. Restivo, Palermo, Italy
Y. Sakakibara, Tokyo, Japan
K. Salomaa, Kingston, Canada
L. Staiger, Halle, Germany
S. Yu, London Ont., Canada

Proceedings Committee
C. S. Calude, Auckland
E. Calude, Auckland
M. J. Dinneen, Auckland

Important Dates
Submissions Due: 14 June 2004
Notification: 6 September 2004
Final Copies Due: 26 September 2004

The conference, organised under the auspices of the European Association for Theoretical Computer Science (EATCS), is supported by the New Zealand Royal Society. The conference will be accompanied by several thematic workshops.

Original papers are solicited in formal language and automata theory, and related areas. Typical, but not exclusive, topics include: grammars and acceptors for strings, graphs, arrays; efficient text algorithms; combinatorial and algebraic properties of languages; decision problems; relations to complexity theory and logic; picture description and analysis; cryptography; concurrency; DNA and quantum computing.

Authors are invited to submit papers (at most 12 pages) electronically via the conference home-page. All submissions should be in PostScript or PDF format, printable in a standard Unix environment.

Joint submissions to other conferences are not permitted. Each accepted paper must be presented at the conference. The proceedings will be published by Springer-Verlag LNCS Series, and will be made available during the conference. The L\TeX source, prepared using llncs.cls, of final versions of accepted papers will be required.

Invited Speakers: B. Courcelle (Marseille, France), R. Downey (Wellington, NZ), N. Jonoska (Tampa, US), A. Muscholl (Paris, France), G. Rozenberg (Leiden, Holland).

Address for Submissions: Please use the submission option within the conference home-page (preferred option!) or email the Secretary Michael Dinneen at mjd@cs.auckland.ac.nz.

Cost of Participation: Full registration (US$350) includes reception, excursion, refreshments, conference dinner and proceedings; registration before 25 September 2004 is US$300. Restricted student registration is US$50.

Additional Information: See the conference home page or email the conference Organising Committee Chair Elena Calude at ecalude@massey.ac.nz.
